Vietnamese cuisine is widely considered some of the healthiest food on the planet. Most dishes rely on rice, wheat and legumes, an abundant of fresh herbs and vegetables, minimal use of oil, and treatment of meat as a condiment rather than a main course.

Our goal at Peak of Asia Restaurant is to serve local families and working professionals the freshest Vietnamese dishes possible using local vegetables, meats, and shrimp in a clean, comfortable family setting. When you're here, you're family. Enjoy your visit, and thank you for dining at Peak of Asia!
